

BE PART OF THE GUAM MANAMKO' PLEDGE!

The Guam Manamko' Pledge is a program that encourages all of Guam's Businesses, large or small, to offer a discount or special gift to benefit our senior citizens. This program was initiated by Senator Dennis G. Rodriguez, Jr. as a way to promote giving back to our manamko' who have helped shape our lives today.

Let us help you find your unique way of honoring our island's manamko'!

This is a way to show your appreciation and admiration for the wisdom and support our senior

citizens have shared throughout the years. Your pledge to bring a smile to the faces of our manamko' is something they will cherish and bring them back to your business for years to come!

For more information about how to start a program in your business, please contact the office of Senator Rodriguez at 649-8638/0511 or email ashelton.senatordrodriguez@gmail.com
